

PUBLIC LEDGER

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., MONDAY, JUNE 18, 1906

ONE COPY—ONE CENT.

All the Banks in the city will close Wednesday, Home-Coming Day, at 12 o'clock noon.

All the members of all the Home-Coming Committees are requested to meet at the Public Library at 3 p. m.

If it takes five days to get a bundle from Cincinnati by boat, how long will it take a snail to climb a tree?

Revs. F. W. Harrop and G. W. Benton are on the program for the annual meeting of the Methodist Educational Institute now being held at Somerset.

Among the Home-Comers calling on THE LEDGER Saturday were Messrs. Dan and Walter Dudley, en route to their old home in Fleming. Dan is a prosperous farmer of Boone county and Walter is Cashier of the Pueblo Savings Bank, Pueblo, Col.

We are making low prices on Silverware, Cut Glass, Clocks, and in fact anything in our line can now be had for less than "regular prices." On account of Home-Coming look up your needs in these lines and come to us. See what we can do for you. P. J. MERRY, the Jeweler.

Mr. Richard Kinsler, for many years a citizen of the county associated with Colonel W. W. Gault in agricultural pursuits on the latter's farm near Washington, has gone to Pike county, Mo., where he expects to reside in the future. The best wishes of a legion of friends go with Dick to his new home.

Simple but impressive ceremonies marked the laying of the corner-stone of the new Kentucky Capitol at Frankfort Saturday, only two set speeches being delivered. Governor Beckham placed the mortar in the bed with a silver trowel which will be presented to the Kentucky Historical Society. Former United States Senator William Lindsay delivered an address on the future of the state, and H. V. McChesney gave the history of the former Capitols.

HOW HE LOST OUT

A Pusher of the Queer Got the Worst of It in This City

A slick, sleek colored gentleman entered J. H. Bradford's saloon at the corner of Front and Limestone streets Saturday evening, and stepping up to the bar with the presence and assurance of one having traveled the gait and circuit at the same time called for a pint of whisky. Having received the liquor, he went down in his pants and flashed a \$20 bill, which he tendered in payment.

The barkeeper, not wishing to deplete the money-drawer of the change, called the proprietor, who, having deposited his roll in Bank, took the bill and went up street for the purpose of changing the double sawbuck into smaller bills.

Dropping in at Wes Lee's clothing store he requested that gentleman to accommodate him. Mr. Lee is evidently a judge of money as well as good clothing, for after inspecting and passing the bill through his fingers several times he pronounced it spurious, informing Bradford that the bill had been raised from a five spot to a twenty. The information took the saloonkeeper clear off his feet.

Informing an officer of the matter Bradford then hastened back to his place of business, to find that the wise one had departed as soon as he had left the house to have the bill changed.

Parties who came down on the excursion yesterday from Portsmouth said the same duck had worked the scheme successfully in that city on Joe Dills and three other colored saloonkeepers.

It is the impression that the colored man is merely the pusher of the queer, while a white genius is in the background and fixes the bills for the unsuspecting.

As the case now stands Bradford is \$4.75 ahead of the game.

Rosenau Bros. have an advertised letter in the Louisville Postoffice.

Quite a number returning from the Louisville Home-Coming passed through the city Saturday.

How would it do to have the water turned on the Esplanade Fountain this week for the edification of Home-Comers?

The Douglas Hall dropped in at the upper grade yesterday evening two more barges of brick for the new streets.

The Colored Knight's Templars attended the Bethel Baptist Church yesterday afternoon in a body and listened to a sermon delivered by Rev. Walker of Flemingsburg.

At a meeting last week in Louisville, Mr. J. W. Chambers of Winchester, Secretary and General Manager of the Old Kentucky Telephone Company, was elected Treasurer of the Kentucky Independent Telephone Association and a delegate to the National Interstate Telephone Association Convention to be held in Chicago June 26th, 27th and 28th.

See notice elsewhere of city taxes.

Mrs. Judith M. Marshall of Louisville, who has relatives here, celebrated her eightieth birthday Friday last.

"Home, Sweet Home"

Many of the Home-Comers, though absent for many years, will, among other notable things in old Maysville, remember the erstwhile Blum & Hechinger, the now D. Hechinger & Co., Clothing Store. It will afford the senior member great pleasure to again meet the "Old Boys" that he knew so well years ago.

Not only Home-Comers, but ALL visitors to Maysville during the week are not only invited but entreated, during idle time, to make our large, commodious rooms their lounging place.

Incidentally, we will add, "To commemorate Home-Coming Week," we will offer extra inducements to visitors that want to buy the best clothing made in the world. Please remember that you will not be importuned to buy, but if you need anything, the pleasure will be ours.

THE HOME STORE.

Elijah Payne and Maria B. Lane, colored, were married in Washington Saturday evening.

The lid was on yesterday good and tight in deference to the presence of the Irish orator.

Rev. P. A. Cave is to conduct an evangelistic service at the Parie Christian Church next Sunday night.

The C. and O. will on July 1st put on some more trains and change the schedules of some of those running already.

An agreed assessment of omitted taxes of the estate of Wilhelmina Morrissey for five years, taxes and penalty amounting to \$1,800, was produced in Court and filed.

Mr. Adam Ring is again amid the scenes of his boyhood. Mr. Ring lives in Missouri and will be the guest of his brothers in the Plumville neighborhood for several days.

A few weeks ago a gentleman bought a piece of neglected property in the West End. He spent a few hundred dollars in repairs, and a day or so since was offered \$2,000 for it.

M. J. Fanning, the Irish orator, spoke to three audiences yesterday. Last night the Opera-house was comfortably filled with an appreciative and attentive assemblage of representative citizens. The speaker is pleasing in address and forcible and instructive in discourse.

After an absence of thirty-five years Mr. Moses Prather is again at his "Old Kentucky Home." Mr. Prather lives at Newton, Kansas, and is accompanied on this visit by his wife and three daughters. They will be the guests for a few days of friends and relatives in the city and county.

Policeman Ryan dispatched a snarling and snapping dog in Sixth street yesterday; not before it had bitten a young Grosley, however.

As Mr. James B. Wood was driving to the County Infirmary last afternoon to hold the usual Sunday services at that place, he met with a mishap. When in the lane near the C. and O. crossing No. 3 came sailing along. His horse frightened, jumped to one side and broke the shafts of his buggy. Fortunately there was no other damage.

Beautiful Beechwood.

For Home-Coming Week a special vaudeville program has been selected for Beautiful Beechwood's patrons, starting tonight at 8:30 and the program offered promises to please even more than the excellent bill on last week. The novelty feature illusion "The Roman Sybil's Dream" by Fitzhugh and Bessie Lee is a distinct novelty and something new to Maysvillians and has been the talk of every city where it has been presented. It is a very pleasing and most most mystifying act. The dainty little singer "Talisa" will be seen in a character singing specialty and John and Carrie Mack singers and dancers whose act is replete with good humor, good singing and good dancing. Miss Mack is one of the best singers of coon songs on the road. With this excellent bill and good weather Beechwood will certainly be in for a big week. A Victor band concert will be given each evening from 7 to 8:30 and after the show. As we have stated before, we will state again, Beautiful Beechwood is the place to go any time. A visit will always prove a source of pleasure.

MOHAIRS

Bargain Umbrellas

Recent weather suggests umbrellas. Bargains? Yes, but don't think the less of the umbrellas. It's emergency selling—emergency that begets profit to the thrifty purchaser. A stock straightening is responsible—too many umbrellas of one sort but it's a good and pretty sort. The display will surprise you. The values dignify the word bargain. The greatest umbrella value for \$1.69 you've ever seen—worth every cent of \$2.50. Beautifully bordered taffeta silk in blue, red, green; close rolling steel rods; genuine Arabian vine, Madagascar, Illyrian and other hardwood handles in crooks, oblongs and twists.

Way-Down Prices

On some dusty Muslin Underwear in broken sizes, twos and threes of a kind. Gowns, corset covers and skirts are in the lot. This is a money saver worth your attention.

The New Wash Goods

Sharp rivalry between makers here and abroad have brought out a wondrous range of fabric beauty in cotton dress goods. Both the plain and printed stuffs have wide possibilities for cool and dainty dresses.

DEAR HOME-COMER!

No doubt you will find lots of changes in Maysville since you have left. If you have been absent from our little city over five years you will find a great many changes, and the next five years will bring more changes for the better than have been made in the last forty years. Since you have lived here "we three boys" are new citizens of this town. We have made this Drygoods Store the largest and best of its kind in the country in proportion to the size of the town. Now, without patents, without power or purpose to restrict trade, with no element of the trust power, HOW DID THIS STORE GROW?

BY MAKING ITSELF NECESSARY.

A public utility is "that or nothing." One has small choice in telegraph companies, railroad companies, water companies or gas companies; but as to stores, no one is obliged to come to Merz Bros. to get a supply of any necessity.

We think our store IS BEST; we know our varieties ARE LARGER; we believe we buy our goods a BIT CHEAPER; but you have to come here to find that out.

Today the largest number of discriminating people deal at Merz Bros. A scrutiny of the daily attendance at the several stores shows that most people come to Merz Bros.

There is not any idea of self-glory in stating these plain, big facts to you, most welcome Home-Comers.

KINGS OF LOW PRICES **MERZ BROS.** PROPS. BEE HIVE.

Home-Comers

We gladly welcome you and invite you to call and see us. We want you and your friends to know that this is the best place in Mason county to buy things GOOD TO EAT. 41 years selling Pure Foods.

MAYSVILLE—ON THE OHIO, nestling in a valley as picturesque as the most favored of the Hudson or the Rhine, is an ideal spot for those who desire a home in the midst of scenic beauty unsurpassed in all the world.

It is the capital of Mason county, located in the famous Bluegrass Region, where the farms are highly productive of all the staples, while it is the home of the celebrated White Turkey Tobacco, and the center of the District which alone produces it. The city has right now a population of 10,000, and the number is increasing every few days. There are good schools, public and private; the finest system of water-works in the United States—with three active distilleries to forestall a possible famine. We have an electric street railway, gas and electric lights—manufacturing industries so diversified that "dull times" have comparatively little effect; telegraphic and telephonic service to all points—and more a-comin'.

There are two daily passenger trains each way between New York and Honolulu, and five each way daily between the city and Cincinnati over the Chesapeake and Ohio Railway, and four daily trains each way over the L. and N. to and from all points in Central Kentucky—so if you don't like the old town after a fair trial there are ample facilities to get away. There are Lodges of all sorts of Masons and Oddfellows, big fellows and little fellows, Redmen, Knights of Pythias, P. O. S. A.'s, Junior Order, Maccabees, Eagles, Buffaloes, Elks, Knights of St. John, Grand Army Boys, Confederate Veterans, Sons of Rest, with two members of the Legislature—and if you want any others we'll get 'em. We have two daily newspapers, a free public library with accomplished lady librarians—and as a further means of disseminating news there are innumerable sewing circles and card clubs among the Church members. These embrace a few of Maysville's present attractions; others will be added during the current summer, notably Home-Coming Week, the Fourth of July and brick streets.

If you like the prospect, Come and live with us; we will do you good—say the "do" softly, please.

Now, just watch Maysville grow!

SINCE that Spectacle Surgeon has been replaced as Chief Engineer of the Water-works, Cincinnati has water to burn.

MR. CLEVELAND, who has twice led the Democrats through the White House to the offices, has ventured the opinion that Mr. BRYAN's boom will bust before it reaches the two-year age.

DISPATCHES from Russia say that the Christians are massacring the Jews in that country—rather nice business for "Christians" to be engaged in; but, then, they are Russian Christians.

WEDNESDAY'S impression of THE LEDGER will consist of six pages, to accommodate a valuable paper from the pen of Maysville's most scholarly citizen.

It's bad on the law-breakers; but the Court of Appeals has decided that the law closing saloons on Sunday is good law. Therefore, the fellow who knocks the "lid" off will get the worst of it.

ACCORDING to the printed accounts of the decision in the Berea College case, the Trustees of that institution have won the main point for which they contended in the Kentucky Court of Appeals. The Court decides that the portion of the law which requires a colored school to be twenty-five miles apart from a white school is unconstitutional; and while both races may not be admitted in the same rooms and the same classes, there is nothing to prevent their education under the same roof.

THE Insular Bureau of the War Department is going to try an experiment with the Filipino students who came here three years ago for education at the Government's expense. It is proposed to give them an opportunity to hustle and make their own living this summer preparatory to entering upon their fourth and last year of school work next fall. W. A. SUTHERLAND of the Insular Bureau, who has charge of the young Filipinos, has written to each of the students who have been here three years, urging them to find some employment and work during the summer, rather than attending school. It is the desire of the Bureau that the young Filipinos shall have a few month's actual hustling, when they must rely upon themselves, and learn American customs and methods better than is possible in the atmosphere of schools and Universities, and will also prepare them to rely upon themselves when they go back to their island home.

Flag Day was celebrated here by several of our citizens displaying flags and hunting.

Mrs. John Otto and daughter, Miss Margaret, were shopping in Maysville Friday.

One of our sister townswomen has a fine bunch of chickens in a coop which she says "shall be as fat as butter" by Home-Coming Day at Beechwood June 20th.

The infant daughter of Mr. and Mrs. T. J. Goodwin has been quite ill for a week. Mrs. Goodwin took it to Maysville for medical attention. She is stopping with her parents, Mr. and Mrs. Bryant, of Second street for a few days.

Mason county has one official of whom every one of her citizens will one day be proud. We mean the Superintendent of Turnpikes. In a recent drive from Plinville to Tollesboro via Rectorville the writer was most agreeably surprised. The turnpike "mender" had been along this route. Every one of those horrid ridges known as dead irishmen were gone. The road was solidly metaled to the extreme 16 feet limit, slightly elevated along the center, thus creating a natural water-shed. It was then covered with a light dressing of soil, which will soon key the metal to the smoothness of a floor, affording a fine broad highway befitting the county and its taxes. We were delighted as we drove along so smoothly watching the ripening wheat, the straight rows of corn, the newly set tobacco and above all the trees laden with fruit

'til we reached the Lewis county line, when, with a jerk, a jolt and a splattering mud hole, we were rudely called back from flights ethereal to the more practical work of keeping our seat and protecting our clothing from yellow ooze.

Saturday nine trains, hauling sixty cars of coal each, passed this city going West, something unusual for this time of year.

Prof. Ellsworth Regenstein, formerly of this city but lately Principal of the Newport High School, Friday took charge of the Newport Schools as Superintendent, succeeding Prof. John Burke who held that office twenty-three years.

Mrs. R. B. Griffith of Indianapolis, Mrs. W. L. Davidson, Mrs. H. V. Morris and Miss Carrie Morford of Covington were round-trip passengers to Wheeling on the Queen City. They will arrive here Wednesday—Home-Coming Day.

At the Democratic primary in Brown county, O., Saturday the following persons were nominated—

Commissioner—William Wahl.
Sheriff—P. B. Cahall.
Infirmary Director—Robert Heterick.
Surveyor—George R. Rass.
Coroner—A. S. Holland.

In Huntington Township Charles Warren, M. C. Hutchison and Robert Helm were elected Democratic Central Committee. At the Convention to be held in Georgetown next Saturday it is conceded that James W. Tarbell will defeat J. M. Markley, present Common Pleas Judge, for the nomination.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

Danger signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes or Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Maysville proof: James D. Tolle, clerk at Wood Bros' meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over my kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

Pronounce them the aristocrats of the clothing world. We use them as a foundation for our business, a key-stone to our customers. The clothing that merits the above compliments is the famous E.
